

17 Nov 04: Welcome

Pages updated this morning are the Honor Roll, where the dates of passage for C. V. Mills and Travis Willson have been corrected, and Steven Schrum has been added as a recent honoree. On the Membership page, responsibility for planning the 2006 Reunion has passed to Pat Theriot and Chester Voisin, and Lois Hampton has been added to the Honorary Members list. Check in often, history updates and more are in the works.
