

24 Dec 04: Welcome

Tom Anderson reports the passing of Thomas L. Hester. Please visit the Honor Roll and see the family's request for remembrances reflected in Tom's announcement. We are very happy to post a new inspirational message from the Chaplain. We hope John's health continues to improve. This will likely be the last update before Santa and football, so everyone please have a Merry and a safe Christmas, and while we embrace our families here at home, hold a thought for our troops standing watch over our freedom all across the globe.
