

20 Jan 06: Welcome

Our Quartermaster, Al Iller is dealing with MYASTHENIA GRAVIS. See the Chaplain's page for a new prayer request.

From the Site Manager: I apologize for the scarcity of updates. It has been a very busy couple of months during which I have been home just two weekends, most of which were spent replacing my primary workstation - long overdue for the upgrade. I will try to get the new membership form posted this weekend and get back on track. Thank you for your patience and support.

Attention: see the notice regarding the 2006 VLOA Reunion on the Reunion page.
