

23 Dec 04: Welcome

Just a few minor updates. We added email links to the new contact addresses and removed all of the old unused email links from the Membership page. Watch for more Fort Rucker pics and a general overhaul of the Reunion page, hopefully to be completed some time this weekend. Glad to see a couple of new entries in the Guest Book. Please, everyone take a look at the [Guest Book](#) and tell me **Black** text or **Maroon** text - use the new [SiteMgr](#) email link to record your preference.
