

2 Apr 05: Welcome

March was a difficult and busy month. I apologize for the long hiatus in updates. Everyone needs to visit our Chaplain's page. John has initiated a process of reviewing and forwarding prayer requests for posting on the Chaplain's page. Prayer requests will generally stay on the page for 30 days, and the first request is for Jack Northridge who is battling cancer. There is also a standing prayer request for our troops abroad, and John has provided a quarterly update to his lessons from life.

The Outlaws, B Troop, 1/158 Aviation Regiment change of command ceremony is next Friday, April 8, at Fort Hood. We expect lots of pictures and commentary. I'm not sure where they will be posted yet, but we will get them up as quick as possible. If you want to attend this event, you had better get hold of Al Iller immediately.

Again, I am genuinely filled with remorse for having neglected my duties here. I promise to get the scanner fired up, and get back to business ... can't afford another Article 15 ... hope I can get a pass here.
