

28 Feb 05: Welcome

Bob Koonce has a new collection in the San Antonio Reunion section and some new pictures in his Gallery collection. There is still time to be part of a 7 day Caribbean Cruise with fellow Outlaws this Fall. See John Doyle's post LAST CALL in the Guest Book. We have posted a notice from Brian Wilson on the Newsletter page regarding the passing of his Father, Travis Wilson. As many of you know, Travis was the original developer of this web site - hence the delay in posting the notice. We hope Travis would approve of the changes we've made.

Urgent Notice: anyone planning to attend the Outlaw's Change of Command event at Fort Hood, Texas on April 7th through April 9th, PLEASE make your reservations with the Plaza Hotel no later than March 15, 2005, and contact Al Iller to let him know you will be attending. The event is described as follows ...

Outlaws are back from Iraq! Today's Outlaws, B Troop, 1/158 Aviation Regiment, recently returned to Ft. Hood, Texas from their tour of duty in Iraq, and many VLOA members have indicated a desire to journey to Ft Hood to express their personal thanks and appreciation to the soldiers of that unit for their dedicated service and sacrifice to Our Nation. Captain Sean Huggins, who commanded B Troop during their deployment and service in Iraq, is scheduled for a change of command on April 8, 2005. After talking with CPT Huggins, this time period appears appropriate and convenient for any VLOA members who may wish to visit B Troop. During our visit, a presentation of a plaque from the VLOA will be made to the soldiers of B Troop. For complete information on reservations and how to contact Al, [click here](#) and keep reading
