

I would like to add William A. Hunt to the Honor Roll. My Uncle Billy past away on 6 March 2014 in Florida. Uncle Billy was my actually my father's best friend growing up, and when I was born, he was asked to be my godfather. Uncle Billy grew up in Hicksville, New York and I believe he graduated from Hicksville High School in 1964.

I'm pretty sure his tour in Vietnam was in 1967-1968 with the 175th.

He is buried at the Florida National Cemetery in Bushnell, Florida.

He was a great guy and very fun to be with. We regretfully lost track of him many years ago. I hope you will allow him to be remembered on your website with the other men he served with. I have attached a picture of him in front of his helicopter.

Thank You,
James Palm
