

16 Mar 06: Welcome

The Honor Roll has been updated to include Charlie Humphries who passed away on Wednesday, February 22nd. Note that there is an underscore beneath Charlie's name. This is a link to a "Remembrance Page" for Charlie. Click on Charlie's name and you will be taken to our first Remembrance Page. The Remembrance Page is a work in progress, and is a new feature intended to provide a glimpse into the lives of the men on our Honor Roll. The Remembrance Page is a place where family, friends, and fellow soldiers can memorialize their recollections of the character and contributions of these men who chose the highest form of service to their country - the role of soldier. A Remembrance Page will be created for each of the men on our Honor Roll as we collect material specific to the individual. If you have pictures, recollections, or stories about any of our Honorees, please submit them using one of the links below. We will provide more information on submitting material in an update of the Honor Roll page in the near future.
